About JustFaith and Jack:

JustFaith Ministries provides programs that transform people and expand their commitment to social ministry. Through these life-changing opportunities, members of a church or parish can study, explore and experience Christ's call to care for the poor and vulnerable in a lively, challenging, multifaceted process in the context of a small faith community.

Jack Jezreel, M.Div., the founder and Executive Director of **JustFaith Ministries**, introduced the original **JustFaith** program in 1989 while working in a parish in Louisville, Kentucky. It was immediately and dramatically successful. Since then, churches around the country have had similar results.

Over 20,000 people have participated in various **JustFaith** programs in over 1,000 churches across the country. **JustFaith Ministries**, in conjunction with its partners, makes available introductory workshops, curriculum, resources, a website, and support services.

Jack Jezreel, founder and Executive Director of **JustFaith Ministries**, will be in our area on **Thursday, August 25, 2011**

Jack is a:
