

BULLETIN ANNOUNCEMENT FOR LABOR IN THE PULPIT

Labor in the Pulpit

Labor in the Pulpit takes place in our parish – and in over 165 worship services in Santa Clara County on Labor Day Week-end. Labor Day reminds us, as people of faith, of the prophetic connection between faith, work and economic justice. This year, the program focus is on “Budgets as Moral Documents.” Faith leaders, workers and their advocates will give voice to the struggles faced in our community due to budget decisions. We will be presented with opportunities to act according to the justice teachings of our faith traditions and to advocate for moral budgets so that all God’s children experience the dignity of labor, the right to fair employment and access to basic needs.
