

*Ghosts and witches and monsters, too – They're all invited – and so are YOU!*

# DIOCESE OF SAN JOSE FALL BLOOD DRIVE

**Wednesday, October 28, 2009**

9:00 a.m. – 2:00 pm

St. Clare Parish Hall, 941 Lexington Street, Santa Clara

The season's here – let's set the scene  
To give our blood this Halloween.  
Come witches, ghosts, and even goblins  
By broom, by plane, or just a-hobblin'.

St. Clare Parish is where it's at  
So bring a friend or a black cat.  
Your blood's a treat – it's yours to give  
Your pint may help three more to live.

The Diocese of San Jose  
Hopes you'll help out in some fine way  
Without your blood, the good Red Cross  
Would really suffer a great loss.

If you can't give, please say a prayer  
Or call another – if you dare  
A friend, your boss, or your dear mother  
Let's save lives and help each other.

To give blood, you must first log on  
To [www.helpsavealife.org/nc/](http://www.helpsavealife.org/nc/)  
And type in code **DOSJ**  
And soon you will be on your way.

Or call 983-0144  
We'll save a space – heck, it's no chore  
To drain your vein, and you'll feel fine  
Knowing your blood's been a real lifeline.
