

DIOCESE OF SAN JOSE

Clergy with Credible Allegations of Sexual Abuse of Children

This list is being published as part of the Diocese of San Jose’s commitment to transparency and accountability to assist in the process of reconciliation and healing. The following information is organized into three sections:

- All clergy with credible allegations of sexual abuse of children occurring within the Diocese of San Jose, who were assigned to a parish or diocesan ministry in Santa Clara County by the Bishop of San Jose or, in the years before our founding in 1981, by the Archbishop of San Francisco.
- All non-Diocesan clergy who ever ministered within the Diocese of San Jose’s territory (Santa Clara County) and received a credible allegation of sexual abuse of children, which occurred elsewhere or in non-Diocesan institution or ministry in Santa Clara County. These allegations were not investigated by the Diocese of San Jose but have been confirmed by the cleric’s Religious Order, Arch/diocese, or civil authorities.
- All Non-Diocesan clergy who ever resided at a seminary, religious retirement home or other institution operated by a religious community within Santa Clara County and have received a credible allegation of sexual abuse of children which occurred elsewhere. These allegations were not investigated by the Diocese of San Jose but have been confirmed by the cleric’s Religious Order, Arch/diocese, or civil authorities.

As religious orders or other dioceses publish or update their lists and other credible allegations are confirmed by the Diocese of San Jose, the Diocese will update this list as needed. Please see our FAQ for more information about the list: www.dsj.org/disclosurelist.

Anyone who has been a victim of sexual abuse by anyone working on behalf of the Church is encouraged to contact civil authorities (police department or sheriff’s office) and then to the Office for the Protection of Children and Vulnerable Adults at 408-983-0113 or <https://opcva.ethicspoint.com>.
