

APOSTOLIC

To become primarily outward-looking in order to evangelize individuals, families and our culture.

REFLECTION - "Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit." (Matthew 28: 19)

1. What ministries and resources must our parishes and schools implement to most effectively reach out to: a) youth, young adults, and young families; b) those who no longer worship in our parishes; and c) the disenfranchised?

REFLECTION - "Beloved children, our love can't be an abstract theory we only talk about, but a way of life demonstrated through our loving deeds." (1 John 3: 18)

2. What ministries and resources must our parishes and schools implement to: (a) form and activate the faithful and school families in living Catholic Social Teachings; and (b) how they collaborate with other parishes and schools to serve those in need?

ONE

To embrace and tangibly demonstrate the unity of our Church across the entire Diocese.

REFLECTION - "As a prisoner for the Lord, then, I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace. There is one body and one Spirit, just as you were called to one hope when you were called; one Lord, one faith, one baptism; one God and Father of all, who is over all and through all and in all." (Ephesians 4: 1-6)

What changes should be implemented so that our clergy, school leaders, staff (parish, school and chancery), lay leaders, members of the faithful and school families operate more collaboratively across all parishes and schools?

CATHOLIC

To increase the faithful's encounter of Santa Clara County's unique diversity, and to leverage such diversity (ethnic, social-economic, etc.) to enrich our local Church

REFLECTION - "There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus." (Galatians 3: 28)

What ministries and resources must our local parishes and schools explore to increase positive encounters with, learning from and appreciation of the diversity in our Catholic community?
